38" x 40yds

54" x 40yds

#7504

FDC series 7504 is a PVC banner designed for printing general purpose signage and displays. It is a 1-side smooth and printable non-top coated media with a high white point that provides great printability. This product features tear, curl and fire resistance, passing NFPA 701 fire resistant certification test.

2-Side Printable

#7505 13 oz 2-sided

Super Smooth Blockout

Matte White Only

54" x 40yds

#7505

FDC series 7005 is a PVC banner designed for printing general purpose signage and displays. It is a super smooth, two side printable non-top coated media with a blockout layer that provides opacity and obstructs light. This product features tear, curl and fire resistance, passing NFPA 701 fire resistant certification test.
